YOUTH CAMP PROGRAM INFORMATION

OUR PHILOSOPHY: For many years, the Butterfield Park District has operated summer camps for young people of all ages. We believe that a big part of a child's growth occurs outside the classroom. Self-esteem, independent thinking, initiative, the ability to function in a group setting is a very important factor in a child's life. Not only does this set them up for success but also integrates lifetime skills, lifelong friends, and memories to last a lifetime! These are a few things a good camp should help provide but also have phenomenal role models that the campers can look up to.

OUR COUNSELORS: Did you know that our counselors go through weeks of training to become the best counselor they can be? Not only does this make for the best summer ever but also the most creative and active summer yet! All counselors have the passion and dedication to be with children but also create a positive and fun atmosphere. From detailed lesson plans, field trips, swimming and more they've put in the work for your child to have the best summer possible. We even have a Counselor in Training program to give young adults an idea of what it's like to be a counselor. This gives them the skill sets for a future job!

GROW: Our campers are encouraged to try new things always! Our camp provides opportunities for children to leave their comfort zone and adventure into new activities and experiences. Campers get to discover new hobbies, interests and passions!

LEARN: Our campers understand that "character counts". On top of making new friends, campers also develop an appreciation for the qualities required to strengthen these relationships! Camp provides children with the core values of a strong independent individual by teaching them about ethics, honesty, respect and responsibility.

PLAY: Campers will enjoy a safe and exciting environment where they will be able to make new friends, go on weekly field trips, have special guests, swim and so much more! Camp encourages the kids to get off their devices and get moving. Campers will learn survival skills to social skills to arts and crafts and more— which they can use throughout their life!

FLEXIBILITY: Here at the Butterfield Park District we pride ourselves on being flexible and accommodating to our camp families. We understand how busy schedules can be this is why we have different camp day options each week, as well as extended care in the morning and afternoon.

TEEN CAMP PROGRAM INFORMATION

OUR PHILOSOPHY: Our philosophy is to provide each camper with an invitation to experience and explore a safe and supportive environment that promotes emotional, social, intellectual, and physical development in a natural setting. Teen Camp aims to improve confidence and independence, provide the motivation to explore new interests, and develop leadership abilities, which collectively, foster a summer of personal growth, challenges, friendships, and adventure. Teen Camp and its staff empower campers to make good choices, encourage kindness and compassion, leadership, connection and belonging, and embrace individuality and diversity, allowing space to flourish as young adults and responsible community members.

WEEKLY OVERVIEW: Teen Camp is for teens who are looking for new and exciting things to do this summer. Three field trips per week plus swimming at The Butterfield Park district pool every afternoon means your summer won't be dull. Field trips will include arcades, museums, water parks, laser tag, bowling, mini golf, amusement parks, sports, games, beaches, and more!

All field trip admission fees are included. Teen Camp will travel in a bus or teen van under close supervision by their group counselors.
