# AQUATICS PROGRAM GUIDE 2024

## LEARN TO SWIM

This program has a format for all levels! Learn to Swim at the Butterfield Park District emphasizes stroke development through five levels. Children will be tested on the first day of lessons and placed in one of the five skill levels that the swim coordinator believes best suits them. Children learn a range of skills from supported floating, kicking, to breath control and treading water. They develop confidence and aquatic safety skills as well. A max capacity will be set, this is due to the safety of our instructors and your child. We like to keep a fair ratio when it comes to teaching children how to swim, once that ratio gets too large it makes it difficult for your child to receive the best learning

experience. No Class June 20 for AM lessons. Sale From March 1-March 17 20% Register Today!

Ages: 3 - 14

## Butterfield Park District Waiver and Release

### Important Information

The Butterfield Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in regard. The Butterfield Park District continually strives to reduce such risks, and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for the above listed programs/activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury, or impairment, to consult a physician before undertaking any physical activity.

### Warning of Risk

Recreational activities/programs are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers, and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for the Butterfield Park District to guarantee absolute safety.

### Waiver and Release of All Claims and Assumption of Risk

I recognize and acknowledge that there are certain risks of physical injury to participants in these programs/activities, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs/activities against the Butterfield Park District, including its officials, agents, volunteers, and employees (herein after collectively referred as Butterfield Park District).

I do hereby fully release and forever discharge the Butterfield Park District from any and all claims for injuries, damages, or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with these programs/activities.
