LEARN TO SWIM

This program has a format for all levels! Learn to Swim at the Butterfield Park District emphasizes stroke development through five levels. Children will be tested on the first day of lessons and placed in one of the five skill levels that the swim coordinator believes best suits them. Children learn a range of skills from supported floating, kicking, to breath control and treading water. They develop confidence and aquatic safety skills as well. A max capacity will be set, this is due to the safety of our instructors and your child. We like to keep a fair ratio when it comes to teaching children how to swim, once that ratio gets too large it makes it difficult for your child to receive the best learning

experience. No Class June 20 for AM lessons. Sale From March 1-March 17 20% Register Today!
