BUTTERFIELD PARK DISTRICT CAMP INFORMATION

INTRODUCTION

Welcome to Butterfield Park District's summer camp programs. Please take some time to look through this manual for important information. If you have any further questions feel free to contact us at 630-858-2229 or www.butterfieldpd.com. Thank you and have a great summer!

WHAT TO BRING

Please bring the following to camp everyday: gym shoes, socks, water bottle, hat, extra set of clothes, swimsuit, towel, a lunch, bug spray, sunscreen, and a backpack to carry belongings. **Please label all belongings brought to camp.**

DROP OFF AND PICK UP PROCEDURES

Whenever you drop off or pick up your child, you must walk your child into camp and sign your child in on the daily attendance sheet. This is for your child's safety. In the afternoon, the staff will not release a child to an individual whose name is not listed by you on your child's release form. For safety precautions, any individual picking up a child will be required to present a picture ID until staff becomes familiar with names and faces. A child should never be dropped off and left alone.

LATE PICK- UP

Parents who arrive after their scheduled pick-up time will be charged a \$5.00 late fee for every 10 minutes or portion thereof per child. In an event that a child is not picked up 15 minutes past pick up time, the emergency phone number will be called and the designated individual will be requested to pick up the child. Camp staff will make several attempts to contact parent/guardian. After 30 minutes, if there is no contact from a parent and no one on the emergency list is available to pick up the child, the police will be called and the child will be taken into protective custody.

BEHAVIORAL STANDARDS

As part of a community effort, the Butterfield Park District is proud to be a part of the PBIS Behavioral Standards. PBIS stands for Positive Behavioral Interventions & Supports. Through this program we will establish behavioral supports and social culture needed for all campers. This will be the basis of appropriate behaviors at camp. We will encourage a safe, calm, and predictable environment. Any time your child does not follow our behaviors associated with the PBIS, the child will receive a reminder. Behavioral problems will be discussed with the parent and a behavioral plan will be worked out. Removal from camp is a last resort. We will also focus on promoting and reinforcing good behavior at camp! As a camp, we will be creating and implementing a behavior matrix that includes expectations while attending summer camp.

REGISTRATION

Our summer camp registration forms are available online at www.butterfieldpd.com and in our office. Please note that every camper needs to have a registration form filled out in order to be enrolled in our camps. Registration and payment must be completed by 12pm the Thursday before the next week of camp.

HEALTH AND SAFETY

If your child has contracted a communicable disease such as chicken pox, strep throat, measles, or mumps, please notify the camp staff immediately. You should keep your child home and call your physician when the following symptoms persist:

1. Fever or 99.8 or over, taken in the morning, before camp. Keep your child home 24 hours after an elevated temperature has returned to normal.
2. Nausea or vomiting
3. Skin rash or sores
4. Inflamed, swollen, or reddened eyes
5. Excessive coughing, sneezing
6. Diarrhea
7. Sore throat
8. Headache/Earache

If your child becomes ill at camp, has any of the above symptoms, or has a fever, you will be notified and requested to pick up your child within the hour. If your child is injured and requires more than basic first aid, the following will occur: Attempts to contact parent or guardian, attempts to contact persons on medical forms, and the injured child will be transported by paramedics to a local hospital. Managing staff/ personnel will stay with your child until the parent or guardian arrives.

PARENT COMMUNICATIONS

An exchange of information between staff and parents provides insight for both. Most concerns may be dealt with at the time of your child's pickup. However feel free to make special arrangements with the camp director to discuss any concerns.

REFUND POLICY

In order to keep an accurate count of children as well as stability within the program, the Butterfield Park District has a refund policy. Any changes to a camper's schedule must be done by 12pm the Thursday before the next week of camp. The refund policy will be strictly enforced and there will be no credits or rollover of days if a child misses camp.

CREDIT CARD- AUTOMATIC DEDUCTIONS

In order to be a part of the Auto Debit Program for camp, you must provide the park district with Visa, Discover, American Express, or MasterCard information to be kept on file. The payment can be automatically deducted for your convenience. Fill out the form provided and office staff will remember for you! A receipt will be emailed to you. Auto-debit forms will be included with summer camp registration forms.

ALTERNATIVE PAYMENTS

When registering for a week of camp and Auto Debit is not being used-you must have your payments made by 12pm the Thursday before the next week of camp.
