## THE LEARNING NEST

**NOW ACCEPTING 2023-2024 REGISTRATION**

### Planting the Seeds of Lifelong Learning

The Learning Nest Preschool Program incorporates the Illinois State Board of Education Early Childhood Learning Standards and Jolly Phonics to educate your child. In addition to nurturing the development of your child's social and emotional growth, we have put in place a program that builds a foundation necessary to support your child's future academic challenges.

Preschool runs continuously throughout the school year, observing the same holidays and no school day schedule as District 44 (Lombard).

Children must be the appropriate age by September 1.

There is a \$100 NON-REFUNDABLE administrative fee to register.

Preschool tuition is paid in equal monthly payments, based on the total number of attendance days within the entire school year. Tuition is processed monthly through auto debit unless other arrangements are made.

### SPARROWS

2-3 YEARS OF AGE

This class provides a warm, nurturing environment and is designed for children ages 2 - 3. Emphasis is on developing social skills and transitioning from home to school. Language development is supported through daily activities that include ABC's, counting, story time, games, music & movement, gym or outside time, and arts and crafts. Individualized "Play & Learn" Mats will be sent home weekly to reinforce skills and concepts being introduced in the classroom. Note: Parents or loving Caregivers will be called for diaper changes and must arrive within 15 minutes of the phone call from Early Childhood Supervisor.

### BLUEBIRDS

3-4 YEARS OF AGE

This program for children 3 - 4 years of age, involves a strong balance of academics and fun. Daily activities incorporate music and movement, games, arts and crafts into lessons on letter recognition, reading, math and science. Our staff recognizes each child's unique rate of development and therefore our curriculum focuses on different levels of ability, individual needs and learning styles. Student activities are designed to promote each child's self-esteem and a positive outlook toward learning, while striving to instill independence and responsibility.

### OWLS

4-5 YEARS OF AGE

Our prekindergarten program offers a developmentally appropriate, skill based program designed to meet the needs of children as they transition from preschool to kindergarten. Proven curriculum materials provide age appropriate learning opportunities for our prekindergarten students. We provide and use a phonics based reading program, as well as a hands-on math program, to ensure the academic foundation critical to your child's future school success.

**Extend your child's day by enrolling in our Extended Day, Lunch Bunch or Afternoon Adventures programs. Age limits apply. Contact Christina for complete information at [christina@butterfieldpd.com](mailto:christina@butterfieldpd.com) or by calling 630-858-2229 x14.**

## **Learn to Swim**

This program has a format for all levels! Learn to Swim at the Butterfield Park District emphasizes stroke development through five levels. Children will be tested on the first day of lessons and placed in one of the five skill levels that the swim coordinator believes best suits them. Children learn a range of skills from supported floating, kicking, to breath control and treading water. They develop confidence and aquatic safety skills as well. A max capacity will be set, this is due to the safety of our instructors and your child. We like to keep a fair ratio when it comes to teaching children how to swim, once that ratio gets too large it makes it difficult for your child to receive the best learning experience.
