This program has a format for all levels! Learn to Swim at the Butterfield Park District emphasizes stroke development through five levels. Children will be tested on the first day of lessons and placed in one of the five skill levels that the swim coordinator believes best suits them. Children learn a range of skills from supported floating, kicking, to breath control and treading water. They develop confidence and aquatic safety skills as well. A max capacity will be set, this is due to the safety of our instructors and your child.
